

Notes:

- 1) This drawing to be read in conjunction with the relevant specification and all other relevant drawings.
- 2) All dimensions and levels to be checked on site and any discrepancies identified prior to commencement of work.
- 3) All dimensions in metres unless otherwise noted.
- 4) All levels in metres unless otherwise noted.
- 5) It is the responsibility of the croft tenant to check and confirm that the boundaries of his/her croft, as shown, are correct.
- 6) It is strongly advised that the croft tenant should present this plan to the tenants of the neighbouring crofts and get their agreement that the boundaries are correct before registering the croft
